Capt. Montcalm Broward, brother of Gov. N. B. Broward, addressed the voters of Crescent City at the Auditorium last Tuesday night in the interests of Gov. Broward's candidacy for the United States senate. The attendance was large. Capt. Montcalm Broward is the captain of the famous "Three Friends," the boat commanded by Gov. Broward as a filibuster in aid of the Cuban revolution just previous to the war between the United States and Spain. The captain is not much given to political campaigning, but was out to help his brother in his fight for a seat in the U. S. Senate. Besides being a steamboat captain, Montcalm Broward is a lay reader in the Episcopal church, and is a man held in high esteem by the moral class of people in Jacksonville.

When You Buy Fertilizer From Us You Get One Mixed for Your Land

No one Fertilizer can give uniform benefit to all classes of land. Because all land is not alike by any means. When a man goes to buy a farm he wants to see what kind of soil is there. You should not think of buying fertilizer without knowing that it is adapted to your soil, and the crop to be grown. The proper Fertilizer is as necessary as the land itself if the grower really wants the most profitable results—and we believe you, as a grower, do want to get from your labor all the crop that can be produced. You should have it.

You are entitled to a substantial profit from your labor. You should have it. We want to help you, and feel sure we can.

First, we need from you a chance. Write us to-day for a free copy of our 1910 Florida Almanac, and give us the number of acres and kind of crops you cultivate. Has the information that ought to be in all reliable almanacs, and Fertilizer facts that are worth studying—and studying before your grove is fertilized or next crop is planted.

Poor, Foolish Woman!

Think of her attempting to make ice cream in the old disappointing way! With JELL-O ICE CREAM Powder she can make the most delicious ice cream in ten minutes, freezing and all, at a cost of about one cent a dish—and never near the stove. Your grocer will tell you all about it, or you can get a book from the Genesee Pure Food Co., Le Roy, N.Y., if you will write them.

Grocers sell Jell-O Ice Cream Powder, two packages for 25 cents.

Friendship.

False friendship, like the ivy, decays and ruins the walls it embraces, but true friendship gives new life and animation to the object it supports.

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subdues the pain and heals the hurts.
